

# 2021 DWELLINGS MODEL SUBMISSION FORM

First Name(s): \_\_\_\_\_ Grade: \_\_\_\_\_

Volunteer Name \_\_\_\_\_ Teacher \_\_\_\_\_

Tell us about your model! Imagine this form being your chance to tell someone about your model. We want to know everything! Submit this form with sketches, process photos of the model build, photos of your completed model (with multiple angles), and anything else that would help us understand your model and how it came to be.

Dwelling's Name: \_\_\_\_\_

What will your dwelling focus on? \_\_\_\_\_

Who is your client? \_\_\_\_\_

How does your dwelling serve your client? \_\_\_\_\_

Where is your site? \_\_\_\_\_

**SPECIFICS OF MODEL** Describe your dwelling in each of the following areas. *If needed, use a separate piece of paper for each.*

**TREATMENT** (*What materials is your dwelling made of?*)

What materials would your dwelling be made of if it were actually built? \_\_\_\_\_

What materials did you use to build your model? \_\_\_\_\_

**HOW DID YOU PROTECT THE ENVIRONMENT WITH YOUR DWELLING?**

Does where it was built help its surroundings? \_\_\_\_\_

How does it use water wisely? \_\_\_\_\_

How does it produce, use, and/or conserve energy? \_\_\_\_\_

Does it benefit the environment in any other way(s)? \_\_\_\_\_

What other problems (if any) does your dwelling solve? \_\_\_\_\_

What did you learn during the research & building process? \_\_\_\_\_

Is there anything else you'd like to tell us about your dwelling or the process of building it? \_\_\_\_\_
